Re: Coreslab Structures (Tulsa) Inc.  
Cases 14-CA-248354 and 14-CA-248812

**DENIAL OF EXTENSION OF TIME TO FILE OPPOSITION  
TO THE RESPONDENT'S MOTIONS TO REOPEN THE RECORD**

The General Counsel's request for an extension of time to file an opposition to the Respondent's Motion to Reopen the Record and Admit Neil Drews Declaration and Motion to Reopen the Record to Admit or In the Alternative Take Administrative Notice of an Arbitration Award is **DENIED**. The Board's Rules and Regulations do not specify the time in which an opposition to a motion to reopen must be filed. As a general practice, such oppositions are accepted if they are filed prior to action on the motion. However, as there is no due date for responses to such motions set forth in the Board's Rules and Regulations, I am unable to set or extend a due date for such filing.
